After work, let's all go to [a club](#) that's *just like work!**

*Except that you have to pay a \$750 minimum. Even my job doesn't have, er, incentives like that.

Current Mood:  stunned by the dumb

Well, you can split that by upto 10 people.

And, you know..at club prices, that's only about four drinks from the well. More if you're going for some higher shelf stuff.

Giant squid in a barrel, hon. Besides, the kind of people who get their buzz from giving orders to other people by pushing buttons give me creepy. Giving elitism a bad name, you know?

Birthday, birthday, who's got the birthday?

Oh, she's not so bad. That space alien in the cape has turned her head, is all.

When I decided to be born in February, I must not have realized I'd own a motorcycle. Winter storms play hell with...

Heh. It's for the \$30k millionaires to blow a months pay on. If you have real money, oddly enough, you don't have to wait on drinks regardless of where you sit. I think I'm glad I am past the clubbing stage.
